Geography and history

VIEW MY PORTFOLIO HERE

<https://ghegodesign.github.io/portfolio>

Hi! My name is Leonardo; as I've recently concluded my degree, I'm currently seeking an **entry level job** where I can persist in my daily pursuit of **bringing excellence and beauty** to the world.

I truly believe I have the potential to grow even further into a passionate professional, as I am ready to dedicate myself to my work. My hope is not only to **create value** but also to express myself through what I do and achieve.

LANGUAGES

Italian **native**

English C1 (FIRST, Cambridge School)

Polish high proficiency

Spanish B2 (DELE, Instituto Cervantes)
